(浪岡振興部総務課発注分)

(長3 封筒：裏)

The diagram illustrates the back of a 3-fold envelope. It features two circular stamps, one at the top center and one at the bottom center, both containing the character '印' (Seal). On the left side, there are two vertical columns of text: '差出人名' (Sender's Name) and '差出人住所' (Sender's Address). Below each column is a vertical line of seven small circles, representing a barcode or tracking system. The envelope is shown with its top and bottom flaps folded inward.
